Summary Terms and Conditions of Maxis Services (“Summary”)

Version [20 December 2020]

Your Agreement with Maxis comprises the General Terms and Conditions ("GTC"), Service Specific Terms & Conditions ("SSTC"), this STC, Maxis Fair Usage Policy, policies and procedures related to a particular Service, Registration Form and any addendum(s) ("Agreement"). GTC, SSTC, this STC and Maxis Fair Usage Policy are all located on our official website at www.maxis.com.my/terms-conditions/personal/.

This Summary highlights some of the important terms of the Agreement only. When you purchase and use the Maxis Service(s), the Agreement in its entirety (and not just this Summary) applies to you. Please read and understand the contents of the Agreement in its entirety. Terms used in this Summary will have the same meaning as defined in the GTC. In the event of any inconsistency or conflict between the Summary and the GTC, the GTC will prevail.

Your Personal Information:

You confirm and agree and give your consent to Maxis to process your Personal Information/ Personal Data pursuant to Personal Data Protection Act 2010 and Maxis Group Privacy Notice at <https://www.maxis.com.my/privacy-statement/>. Call us at 1800 82 1123 or +603-74922123 or call 123 (if you are an existing customer) or e-mail us at customercare@maxis.com.my if you need a copy or should you have any queries in relation to Maxis Group Privacy Notice.

Your obligations when you use the Service(s):

You must:

- comply with the Agreement in its entirety;
- comply with all applicable laws of Malaysia and instructions issued by us from time to time;
- promptly pay the Charges in full without deduction;
- protect Our Equipment, Your Equipment, data and network;
- not disclose your Log On Details to others;
- not use the Service(s): -
 - i. to send spam, unsolicited messages (including SMS' and emails), and messages against public interest;
 - ii. for re-sale unless permitted by Maxis;
 - iii. for fraudulent, unlawful, illegal and improper purpose such as gambling, vice, porn, infringement of intellectual property rights, publishing any defamatory or abusive material;
 - iv. for any activity which is likely to cause Network congestion; and
 - v. in contravention of any usage policies which may be stipulated by Maxis from time to time.

The Service(s) we supply, our liability and what you can expect of us:

Our Service(s) may not be available everywhere. Please check Our Network coverage area on our official website at <https://www.maxis.com.my/en/broadband/maxis-fibre/#fibre-checker> for Maxis Fibre. Whilst we will make every attempt to provide a fault free service, the Service(s) are not fault free from Matters Beyond Our Reasonable Control. We are not liable to you or any other party, in contract, tort (including negligence), or otherwise for any loss or damage that you may suffer in connection with the Service(s).

Change of Service plan:

Request for a change of Service plan is based on our approval and at your cost.

Goods and Services Tax (“GST”) Provisions:

We will provide you with a tax invoice if GST is applicable

When we can suspend or terminate your Service(s):

We may suspend or terminate your Service(s) in a number of circumstances, including but not limited to where you breach Our Agreement, late payment, Network related issues (including emergencies), or use the Service(s) for improper or illegal purposes or for damaging our Network. If the Service(s) is/are suspended or terminated, you must still pay all outstanding Charges and charges for Service(s) reconnection.

What we can do in relation to the Service(s):

We may from time to time make any changes to our terms and conditions of the Agreement, including revising the Charges.

What we can do in relation to the Mobile Device(s) under our Mobile Device ownership or Mobile Device leasing programme:

We may block the device in the event you are suspected or found to be committed of fraud, you report to us that the relevant device is missing or has been stolen and requested us to block the device. We may incrementally or progressively suspend and/or block the Services and/or usage of the relevant Mobile Device if you default in the payment of the Charges.

Complaints:

We appreciate any feedback about our Service(s), and are committed to resolving problems or complaints quickly. If you have any concerns, please contact us at 1-800-82-1123 or dial 123 from your mobile if you are Maxis subscriber or visit <https://www.maxis.com.my/en/support/#contact-us>.

You acknowledge that you have been provided with and have read and understood the Agreement in its entirety, and you agree to the terms and conditions of the Agreement.

Service Specific Terms & Conditions (“SSTC”) - Maxis Home Fibre (previously known as “Maxis Fibre Broadband”)

Version [29 August 2025]

General

1. The Service: Maxis Home Fibre 30Mbps, 100Mbps, 300Mbps, 500Mbps, 800Mbps, 1Gbps or 2Gbps.
2. **You:** Person(s) signing up for the Service.
3. The use of the Service is subject to the General Terms & Conditions (“GTC”), Service Specific Terms & Conditions (“SSTC”), Maxis Fair Usage Policy and any other applicable terms and conditions, all at <https://www.maxis.com.my/en/terms-conditions/personal/general/maxis-fair-usage-policy/> and www.maxis.com.my/en/terms-conditions
4. Capitalised terms herein have the same meaning as defined in the GTC.
5. Any conflict or inconsistency between this SSTC, the GTC and Summary Terms and Conditions (“STC”), shall be construed in the following order of precedence: (a) SSTC; (b) GTC; and (c) STC.
6. We reserve the rights without liability, to revise this SSTC, the Service and our pricing. Where reasonably practicable, we will give you reasonable advance notice of such changes and all previous versions of our user guides or leaflets will be superseded. You accept you are responsible for regularly reviewing information on the Service at <https://www.maxis.com.my/en/tnc/personal/>, including changes to the Agreement. If you do not accept such revisions/changes, you are entitled to terminate the Service and/or the use of the Service in accordance with the Agreement by giving us notice within fifteen (15) Working Days from the Effective Date failing which you are assumed to have accepted the changes. Save where terminated in accordance with the Agreement, any continued use of the Service (after the Effective Date of any revision/change to the terms and conditions of the Agreement and/or Service) shall constitute unconditional acceptance by you of such revisions/changes and you shall be bound by the same.

Availability of Service

7. The Service is only available in certain coverage areas. Call 123 (from your mobile), 1800 82 1123 or log onto [Maxis Broadband Coverage Checker](#) to check if you are within the coverage area.
8. We will endeavour to call you within 7 days of your application for the Service to inform you of acceptance or rejection of your application. Provision of the Service is at our sole discretion.
9. If you are signed up with a fibre package not provided by Maxis and are interested to sign up to our Maxis Home Fibre packages, you are advised to contact us for further assistance prior to termination of your existing service.

Eligibility

10. You are ineligible for the Service if you have any outstanding payments with us.
11. This Service is inapplicable to you if you are a commercial user and/or bulk subscriber.
12. The provision of Service is contingent on your installation address (“Premises”) being-fibre ready and having a termination point within the Premises. In the instance your Premises is fibre-ready and has a termination point, but there are other issues arising (including but not limited to fibre port(s)), we will endeavour to assist in solving said issue. We shall not be held liable for such other issues.

Charges

13. The applicable Charges and rate table guide for the Service are as follows:
 - a. if you have signed up for the Services before 27 October 2023: please refer to the Appendix of this SSTC; and
 - b. if you have signed up for the Services on or after 27 October 2023: please refer to our official website at <https://www.maxis.com.my/en/broadband/>.
 Charges displayed do not include applicable taxes.

Commitment Period and Duration of Service

14. The Service commences on the date of successful onsite installation of the Maxis Equipment at your

premises ("Activation Date"). The minimum commitment period for this Plan shall be:

- a. a period of twenty-four (24) months; or
 - b. a period of thirty-six (36) months, from the Activation Date of the Plan ("Commitment Period").
- You shall not, during the Commitment Period terminate your Service. We reserve our rights to charge you the following early termination charge if you terminate the Service before the end of the Commitment Period. The early termination charge is calculated as follows:
- i. *For 24 months Commitment Period:*
Monthly charges (RM) x Remaining month(s) of the Commitment Period; or
 - ii. *For 36 months Commitment Period:*
Monthly charges (RM) x Remaining month(s) of the Commitment Period.

After the Commitment Period, the Service shall continue automatically until you terminate the Service in accordance with this SSTC.

15. If you signed up for Maxis Home Fibre 500Mbps and 800Mbps before 8 December 2022, you will be provided with two (2) units of Mesh WiFi as part of your plan with no extra charge ("**Free Mesh WiFi**"). We have the right to impose on you an additional device remaining balance charge for the Free Mesh WiFi (as per Clause 15A below) in the event you, within the Commitment Period:
- a. terminate your Maxis Home Fibre plan; or
 - b. change, switch or convert your existing Maxis Home Fibre plan to any of the new Maxis Home Fibre plans launched on 27 October 2023 (including the rate plan with the same or lower speed, but excluding any upgrade of speed).
- The additional device remaining balance charge for the Free Mesh WiFi will be calculated as follows:

$[(\text{Device(s) Recommended Retail Price (RRP)} \div 24 \text{ months})] \times \text{Remaining month(s)}$

Deposit & Billing

16. A deposit of RM300 is chargeable for non-Malaysians subscribing for the Service.
17. Non-payment of any one of the Service package / plans may result in suspension or barring of all or a part of the Service until the outstanding amount is paid.

Installation of Service and Restoration Appointments

18. You will receive a call from us within 5 days upon registration of the Service confirming your installation appointment date and time for the Service.
19. You consent for us and/or our agents gaining access to your Premises, with prior notice to you, to place a router, dongle, Digital Enhanced Cordless Telecommunication Phone ("**DECT**") phone and/or modem (comprising either the Optical Network Terminal ("**ONT**") or Broadband Termination Unit ("**BTU**") as the case may be) (collectively referred to as "**Maxis Equipment**") and install the Service. Installation will be at the Premises as per the address you provide us. We shall not be held liable for installation issues arising from errors in details of the Premises given by you. Installation of the Service will take approximately 6-7 hours and you must agree to the drilling area before we begin installation.
20. If there is an existing TM BTU installed at the Premises, then the Service will be installed and configured to the existing BTU for fibre infrastructure only. No additional BTU will be provided.
21. You must be present during installation or designate a person aged 18 or above to be present on your behalf for installation of the Service, failing which we will not proceed with the installation.
22. Standard installation, covers up to a cumulative total of 100 metres from the nearest fibre termination box to the access termination box (e.g. the first 85 metres (outside your home) from the nearest fibre distribution panel to the termination box and the first 15 metres (inside your home) from the termination box to the access termination box, or any variation thereof). If the length required at your Premises exceeds the said allocated amount, you will have to bear any extra charges (RM35 for every 5 meters). The installation provided is of standard specifications (over wall with clip or cable casing only). Costs for non-standard installations, such as over the ceiling, underground ducts, concealed wiring, etc. will be borne by you.
23. If you are relocating, you must provide us one (1) month prior notice of your relocation. Any relocation will subject to (i) the Service coverage area; (ii) a Service relocation fee of RM300; and (iii) the continuance of your Commitment Period, if any. We may terminate the Service with notice to you if the Service cannot be provided and/or is not available at your relocated Premises, and you may be required to pay the early termination charge as provided in Clause 14. You shall be required to bring over the Maxis Equipment (which includes accessories for equipment connected to the Fibre Wall Socket of your Premises) to your new Premises in order to continue the Service, failing which, the performance or availability of Service provided to you may be affected.
24. In the event that you are not ready for installation upon our visit to your Premises, installation of the Service will be deferred. You will resolve any issue (being the cost of the deferment) and reschedule a new installation date within 21 days from the cancelled date. Failure to re-schedule an appointment date will result in your application being terminated, and you will be charged accordingly. Maxis shall not be held liable for any further delays due to deferment.
25. Depending on the Maxis Home Fibre plan you subscribe to, you may be provided with a DECT phone. In the instance you subscribe to a plan without a free DECT phone, you will need to purchase your own DECT phone for use. In any case, you agree to accept the phone number assigned to you before we activate the Service.
26. Maxis reserves the right to charge you RM80 where Maxis installers are required to be on-site to provide non-Maxis related support and/or rectify non-Maxis related issues with regard to the installation and/or use of the Service.
27. **For installation appointments:**
- a. Any appointments for Maxis to visit your Premises for installation will depend on Maxis'

availability of appointment slots. Maxis reserves the right to charge you RM150 for any expedited appointment requests such as next day or Rest Day* appointments.

**"Rest Day" for the purpose of this clause means (a) Friday for the states of Terengganu, Kelantan, and Kedah; and (b) Sunday for the remaining states. For the avoidance of doubt, there will be no appointment available during public holidays.*

- b. You must inform us three (3) days prior to the appointment date for any rescheduling or cancellation of appointment. Maxis reserves the right to charge you (i) RM200 for any late rescheduling or cancellation of appointment; and/or (ii) RM200 if you are not contactable or not at your Premises on the appointment date.
28. **For restoration appointments:**
- a. You must inform us at least one (1) day prior to the appointment date for any rescheduling or cancellation of appointment.
 - b. Maxis reserves the right to charge you (i) RM100 for any late rescheduling or cancellation of an appointment; and/or (ii) RM100 if you are not contactable or not at your Premises on the appointment date.

Equipment

- 29. You are responsible, at all times, for the safety of Maxis Equipment in your Premises.
- 30. The Maxis Equipment provided on installation has a warranty that is effective throughout the Commitment Period ("**Warranty Period**"). You are free to purchase your own WiFi router and other equipment for using the Service, but we shall not in any way warrant the quality of the Service from the WiFi router and other equipment of your choice.
- 31. For issues with Maxis Equipment or for assistance on other technical matters relating to the Service, please call [1800 82 1123](tel:1800-82-1123) from any line, or [123](tel:123) from your Maxis mobile line.
- 32. Any request for new and/or replacement of any Maxis Equipment (for e.g. the router) may subject to a new Commitment Period of twenty-four (24) months or thirty-six (36) months, as the case may be.

Equipment Warranty

- 33. Warranty applies to the Maxis Equipment which cover manufacturing defects within the Warranty Period. You agree that repairs, defects, and/or faults shall be subject to the applicable warranty issued by Maxis.
- 34. The warranty does not cover:
 - a. damage, lost, stolen or defects caused by any act, omission, misuse, negligence including usage of the Maxis Equipment contrary to instructions provided by Maxis or the manufacturer (as set out in the Maxis Equipment's user guide)
 - b. serial number/IMEI removed or defaced;
 - c. products that have been subject to an unauthorized removal or deactivation of the network operator-lock function; and/or
 - d. other acts beyond our reasonable control.

Additional Features & Requirements

- 35. Speed of the Service is on a best efforts basis. We reserve the rights to manage your speed should you exceed the stipulated data volume quota.
- 36. The Service is offered as a package (which includes voice (VOIP) services). Suspension, barring or termination of a particular Service from the package will cause the other Service in the package to be suspended, barred or terminated (as the case may be) as well.
- 37. Voice (VOIP) services will be on a pay-per-use basis unless stipulated otherwise in the respective Maxis Home Fibre plan(s) offered.
- 38. If you are our Maxis Fiber plan customer as at July 14, 2020, you will continue to enjoy free unlimited VOIP services until there is any upgrade/downgrade to your plan.
- 39. You are not entitled to downgrade/change the Unlimited VOIP add-on to VOIP service pay- per-use throughout the Commitment Period.
- 40. All value added services offered with relevant plans or packages will be available to you as long as you subscribe to the Service.
- 41. We reserve the rights to introduce and deliver new Service over a shared infrastructure. You may subscribe to such new or additional Service by way of a request to us and the relevant Service terms and conditions shall be deemed accepted by you upon your acceptance and/or usage of such new and/or additional Service. This applies to Service we may provide as a package to you.
- 42. Subject to Clause 43, you may opt in to newer Maxis Home Fibre packages offered by us or upgrade/downgrade your Maxis Home Fibre plan. There are no up-front fees charged for any upgrade or downgrade of your current Maxis Home Fibre plan, but Maxis reserves the right to require you to pay a one-time fee if you are discovered to be abusing the upgrade/downgrade process. Additionally, Maxis reserves a right to impose a new commitment period for your new / upgraded / downgraded Maxis Home Fibre plan or device (if any) (collectively "New Plan"), depending on the New Plan. Features, benefits and add-ons provided in your existing plan(s) may not be brought over to your New Plan.
- 43. If your subscription for Service is made pursuant to a promotional package or campaign, you agree that (a) all additional terms and conditions applicable to that package or campaign will apply; and (b) you may no longer be entitled to the benefit(s) under such package or campaign if you downgrade, suspend, terminate or transfer the Service / account ownership and may be subject to early termination charge as provided in this SSTC.

Quality of Service

44. The Maxis Home Fibre plans or packages offered to and subscribed by you are dependent on the infrastructure available up to and within your Premises (whether VDSL or FTTH). Maxis can only offer fibre packages which are supported on the infrastructure currently installed up to and within your Premises.
45. WiFi speeds are highly dependent on various internal and external factors, including but not limited to building layout (thickness of walls, number of walls blocking Maxis Equipment) and signal interference in and around your Premises. Maxis Home Fibre speeds advertised are up to the WiFi router only, on a best effort basis and take into account optimum operating circumstances with little to no internal and external interference.
46. Maxis continues to strive and use its best endeavors to comply with the Mandatory Standards for Quality of Service as determined by the MCMC to ensure a smooth and worry free internet experience for you. Please reach out to us via the contact details in Clause 7 if you experience any Quality of Service issues in order for us to assist in addressing the same.
47. For any planned interruption of Service, adequate notice will be provided via a valid mobile number and/or any other mode of communication as we may deem appropriate. You are responsible to update Maxis on any changes in your contact details, and Maxis shall not be held liable in the instance you are unable to receive any notices envisaged in this clause due to your failure to update Maxis on your new contact details.

For any unplanned Service(s) interruption, Maxis will endeavor to notify and update you via SMS/ call your mobile and/or any other mode of communication as we may deem appropriate as to the status of such unplanned Service(s) interruption. You are responsible to update Maxis on any changes in your contact details from time to time, and Maxis shall not be held liable in the event we are unable to contact you due to your failure to update Maxis on your new contact details.

Termination

48. To discontinue the Service, you must go to any Maxis Centre.
49. You agree that you will be liable to the early termination charge as per Clause 14 for any early termination of the Service within the Commitment Period.
50. Maxis reserves the right to charge an advance payment equivalent to the customers total current monthly charge for termination at any point of the month
51. Maxis reserves the right to terminate your Service if you suspend the Service for a period longer than sixty (60) days. For any Service termination resulting from such suspension, any of your other service(s) and/or plan(s) (if any) that is tied with the Services may also be terminated, subject to the applicable terms and conditions for such service(s) and/or plan(s).
52. Upon termination of the Service, you must return to us the router and modem (that form part of the Maxis Equipment) (collectively as "Maxis Devices") in good working condition. If you do not return the Maxis Devices or if you return the Maxis Devices but it is not in good working condition, Maxis reserves the right to charge you a fee for each Maxis Devices or such other charge as may be notified to you by Maxis from time to time.
53. You must make sure that the Maxis Devices are returned by you is in good working condition, particularly:
 - a. you must ensure that all and any personal and confidential data/information has been cleared from the Maxis Devices;
 - b. you must ensure the Maxis Devices are free from physical damage, except for fair or light wear and tear (for example, it does not have liquid damage, physical cracks or any intentional damage);
 - c. you must ensure the Maxis Devices come with its full set together with its accessories, along with the serial number, for any warranty claim; and
 - d. you must ensure that the Maxis Devices do not have any missing, disassembled, customised, or non-original parts.
54. You agree that we have the discretion to decide whether the Maxis Devices can be accepted, accepted at an additional charge or not accepted at all by us. You agree that our decision is final and that we will not entertain any queries or appeals.

If you do not accept such revisions/changes, you are entitled to terminate the Service and/or the use of the Service by giving us notice within 15 working days from the Effective Date failing which you are assumed to have accepted the changes.

Eligibility

7. You must be a new or an existing Maxis Fibre plan customer or Maxis Family Fibre plan customer.
8. You are ineligible for the Service if you have any outstanding payments with us.
9. This Service is not applicable to you if you are a commercial user and/or bulk subscriber.
10. Your Premises for the installation of this Service must be a residential unit.
11. Notwithstanding the above, Maxis reserves the right to change the eligibility criteria for this Service from time to time.

Commitment Period and Duration of Service

12. The Service commences on the date of successful onsite installation of the Service at your Premises ("**Activation Date**") and is subject to a minimum commitment period of six (6) months from the Activation Date ("**Minimum Commitment Period**").
13. You shall NOT during the Minimum Commitment Period:
 - a. terminate the Service;
 - b. have the Service terminated for non-payment of monthly bill; or
 - c. suspend or cause the Service to be suspended;
14. If any of the events in Clause 13 above occurs, the following early termination charge shall apply:

Monthly charges (RM) x Remaining month(s) of the Minimum Commitment Period.

15. After the expiry of Minimum Commitment Period, the Service shall continue automatically until you terminate the Service in accordance with this SSTC.

Charges

16. The applicable Charges and rate table guide for the Service is as set out in the attached Appendix and also published on our official website at <https://www.maxis.com.my/en/terms-conditions/products-services/home-add-ons/max-wifi>. Charges displayed do not include applicable taxes.

Installation of Service

18. You will receive a call from us within 3 Working Days from your registration of the Service, to confirm your installation appointment date and time. You must inform us at least 2 Working Days prior to the appointment date for any rescheduling or cancellation of the installation. We reserve the rights to charge you RM200 for any late rescheduling or cancellation request.
19. You consent for us and/or our agents gaining access to your Premises, with prior notice to you, to perform a signal strength walkaround test, place the "EasyMesh WiFi 6" mesh unit(s) and/or router (Maxis Mesh Equipment(s)), and for Max WiFi Standard and Premium plans, the 4G dongle and SIM card (Maxis Dongle Equipment). Maxis Mesh Equipment(s) and Maxis Dongle Equipment are collectively referred to as "**Maxis Equipment(s)**". We will then install the Service. Installation will be at the Premises as per the address you provide us. We shall not be held liable for any installation issues arising from errors in details of the Premises given by you. The signal strength walkaround test, placement of Maxis Equipment(s) and installation of the Service will take approximately 1-2 hours. You must be present during the installation or designate a person aged 18 or above to be present on your behalf for the installation of the Service, failing which we will not proceed with the installation.
20. In the event that you are not ready for installation of the Service upon our visit to your Premises, the installation will be deferred. You will resolve any issue (including the cost of the deferment) and reschedule a new installation date within 7 Working Days from the cancelled date. Failure to re-schedule an appointment date will result in your application being terminated, and you will be charged RM200. Maxis shall not be held liable for any further delays due to deferment.

Equipment & Warranty

22. You are responsible, at all times, for the safety of Maxis Equipment(s) in your Premises. Upon termination of the Service, Maxis Equipment(s) must be returned in good working condition, failing which you may be charged for any loss or damage.
23. The Maxis Equipment(s) provided to you remains Maxis' property.
24. Each unit of Maxis Mesh Equipment that is not returned in good working condition (together with its power adaptor where applicable) will be charged a Non-Return device fee of RM299/unit.
25. Warranty applies to the Maxis' Equipment(s) which cover manufacturing defects and normal wear and tear throughout the customers subscription to the Service, so as long as the subscription of the Service remains active.
26. The warranty does not cover:
 - a. Damage, lost, stolen or defects caused by any act, omission, misuse, negligence including

- usage of the Maxis Equipment(s) contrary to instructions provided by Maxis or the manufacturer (as set out in the Maxis Equipments' user guide)
- b. serial number/IMEI removed or defaced;
- c. products that have been subject to an unauthorized removal or deactivation of the network operator-lock function; and/or
- d. other acts beyond our reasonable control.

Always On WiFi

27. The Max WiFi Standard and Premium plans includes Always On WiFi plan - a 4G Backup service, provided via the Maxis Dongle Equipment, intended to provide backup internet connectivity during a fibre service interruption at your registered Premises.
28. **Usage Restrictions:**
 - a. The 4G Backup service is strictly for use only when your primary Maxis Fibre service is experiencing an outage or interruption. You are strictly not allowed to use the 4G Backup when your subscribed Maxis Fibre is connected and there are no service interruptions. Maxis reserves the right to bar or terminate the Service(s) if we detect your 4G Backup is used when your subscribed Maxis Fibre is connected and there are no service interruptions.
 - b. You are strictly not allowed to use the Maxis Dongle Equipment for the 4G Backup service in any other location other than the registered Maxis Fibre plan installation address. Services may be barred or terminated if the Maxis Dongle Equipment is used in a location other than the registered Maxis Fibre installation address.
 - c. The SIM card provided as part of the Maxis Dongle Equipment is exclusively for the 4G Backup service at your registered Premises. You are strictly not allowed to remove the SIM Card from the 4G dongle or the router it is plugged into without Maxis' written permission. The specific device warranty for the dongle may be void and Service(s) may be barred or terminated if the SIM Card is removed from the 4G dongle/router.
 - d. The Maxis Dongle Equipment is provided for use exclusively with a Maxis-provided router at your registered Premises. You are strictly not allowed to plug the 4G dongle into any router or device not provided by Maxis. Maxis reserves the right to bar or terminate the Service(s) if the 4G dongle is used with non-Maxis equipment.
 - e. There is no guarantee of speed for the 4G Backup service provided via the Maxis Dongle Equipment. Availability and performance of the 4G Backup service depends on mobile data coverage at your registered Premises.
 - f. The roaming functionality of the SIM Card for the Maxis Dongle Equipment is disabled by default. If you wish to enable roaming using the said SIM Card, you will need to contact our customer care line (at 1-800-82-1123 or dial 123 from your mobile) to request, and you will be charged the prevailing roaming charges as set out in the Pay-Per-Use Tariff as stated in <https://www.maxis.com.my/lifestyle/roaming-idd/international-roaming/>.
29. Suspension or barring or termination of the Max WiFi Service or your Maxis Fibre Plan will also cause the service provided by the Maxis Equipment(s) to be suspended or barred or terminated at the same time.
30. In the event that any of the Maxis Dongle Equipment is lost or broken, you will be charged accordingly for the replacement and delivery of the equipment at the prevailing rate. The charge will appear in the next monthly bill.

Guarantee of Service

31. Please note that WiFi speeds are highly dependent on various internal and external factors, including but not limited to building layout (thickness of walls, number of walls blocking Maxis Equipment(s)) and signal interference in and around your Premises.
32. Maxis, upon performing the signal strength walkaround test, will propose to you the necessary number of Maxis Equipment(s) (with brands and models at Maxis' discretion) and the location of each Maxis Equipment(s) to be installed in your Premises (the "**Proposal**"). You may decide which Max WiFi Plan to signed up based on the proposed number of Maxis Equipment(s) - please refer to the following table for more information:

Max WiFi Plans	Number of Maxis Equipments / Service guarantee
Lite	One (1) Mesh Maxis Equipment will be placed at the optimum location in your household to extend the WiFi coverage in your home.
Standard	Up to two (2) Maxis Mesh Equipment(s) will be placed at the optimum location in your household to extend the WiFi coverage in your home. Includes one (1) Maxis Dongle Equipment for Always On WiFi.
Premium	Sufficient Maxis Equipment(s) will be placed in your household to guarantee total home WiFi coverage. Includes one (1) Maxis Dongle Equipment for backup connectivity.

33. Please note that the Proposal is to ensure that your Premises is covered with WiFi coverage with signal strength ranging from medium to strong. Hence, the WiFi coverage or signal strength will be affected or become weak if you decided to install or subsequently relocate any of the Maxis Equipment(s) without adhering to the Proposal.
34. Maxis continues to strive and use its best endeavours to ensure a smooth and worry-free WiFi experience for you. Please reach out to us if you experience any Quality of Service issues in order for us to assist in addressing the same.
35. For the Premium Plan, provided that all the Maxis Equipment(s) is/are installed at the location(s) in accordance with the Proposal and no relocation of the Maxis Equipment(s) is done, you may opt to terminate the subscription of the Service without incurring any early termination charge (regardless of the

termination is within the Minimum Commitment Period or otherwise) if the 'Guaranteed home WiFi coverage' proposition is not met, subject to the return of all Maxis Equipment(s) in good working condition (failing which you may be charged for any loss or damage).

Downgrade

1. To downgrade your Service plan, you are required to follow the procedures below:
 - a. If downgrading from the Max WiFi Standard or Premium Plan to the Max WiFi Lite Plan, you must visit a Maxis Centre to return the Maxis Dongle Equipment and any Maxis Mesh Equipment exceeding one (1) unit.
 - b. If downgrading from the Max WiFi Premium Plan to the Max WiFi Standard Plan, you must visit a Maxis Centre to return any Maxis Mesh Equipment exceeding two (2) units.
2. Once you have requested a downgrade, your monthly bill will reflect the Charges for the downgraded Plan latest from the second month onwards.

Termination

1. To terminate the Service, you must go to any Maxis Centre and return all the Maxis Mesh Equipment(s) in good working condition.
2. You agree that you will be liable to the early termination charge as per Clause 14 for any early termination of your Service within the Minimum Commitment Period.
3. You agreed that you will be liable to the Non-Return device fee as per Clause 24, if any of the Maxis Mesh Equipment(s) is not returned in good working condition.
4. You must make sure that any Maxis Mesh Equipment(s) returned by you is in good working condition, in particular, you must ensure that:
 - a. all and any personal and confidential data/information has been cleared from the Maxis Mesh Equipment(s);
 - b. the Maxis Mesh Equipment(s) is free from physical damage, except for fair or light wear and tear (for example, it does not have liquid damage, physical cracks or any intentional damage);
 - c. the Maxis Mesh Equipment(s) is/are returned in its full set, together with the power adapter (where applicable to the specific equipment); and
 - d. the Maxis Mesh Equipment(s) do/does not have any missing, disassembled, customised, or non-original parts.
5. You agree that we have the discretion to decide whether a Maxis Mesh Equipment can be accepted, accepted at an additional charge or not accepted at all by us. You agree that our decision is final and that we will not entertain any queries or appeals.
6. For Standard and Premium plan, you agreed that the Always On WiFi service will be terminated upon termination of the Service.
